

# THE UMANE AWARD

The Department of Mechanical and Industrial Engineering offers an outstanding opportunity for students to study abroad and earn an international bachelor's (B.S.) degree in four years. Through a grant from U.S. Department of Education and European Union students are awarded a \$12,000 stipend to study in Spain and Italy for one year and receive their respective bachelor's degrees, in addition to that of New Jersey Institute of Technology (NJIT). For further details refer to <http://www.umane.unipr.it/>.

This opportunity open to current sophomores and juniors in the Department of Mechanical and Industrial Engineering.
